What is the Romsey Dental Care Practice Plan?

Our Membership Plan offers a simple and flexible way to pay for your regular dental care. In return for a nominal monthly payment we provide you with a comprehensive programme of maintenance and prevention coupled with emergency cover when you really need it. And access to out of hours' advice from us.

Membership is available to all patients of the practice who have already attended at least their new patient consultation or a dental examination within two years. It is designed to help you keep on top of your dental health with regular manageable payments, and with money off your treatment with your loyalty card double value stamps, you can save up to £100 off treatment* (*see terms and conditions)

What is included in the plan?

Adult

- Two dental health checks per year including a mouth cancer screen to ensure all is well and including up to two small X-rays per year if required

Brief Outline of terms and conditions (full doc available)

1. Members are expected to join for a minimum of one year and should they leave within that time they will reimburse the practice for the difference in value of treatment between what they've had and what they have paid, if this is larger.
2. In the case of cancellation we will do our best to accommodate the patient again within the timeframe of their plan but this cannot be guaranteed.
3. The dentists of the practice will do their best to remain available out of hours but this may not be possible 24/7.
